

# Riviera Wrimatic™

Executive class luxury seating for multiuse lecture theatres, the Riviera with Wrimatic tablet is ideal for cross functional spaces that work as both lecture and corporate seminar rooms.

With establishments generating revenue from outside of normal teaching hours by accommodating evening classes and corporate events, the Riviera bridges the gap and exceeds the expectations of both students and external university clients.

Developed with ergonomics and comfort in mind, this chair has a wide seat, high back and plush padding in addition to an extensive list of customisable features including built in cup-holders and embroidery.
